“ Group of 40 all happy and full!

We had a work function in the mezzanine level which was the perfect size for our group of 40. We had two long tables, people had enough room to move seats but it wasn't too big that it didn't feel intimate. All dietary requirements for gluten free and vegetarians were met. All our team were delighted with the range of food, the pace of service, the wine list and the customer service was excellent. Highly recommended for business dinners.
